

1 KASTEN contains 20 bottles, 1 KASTEN contains 20 free beers, 1 KASTEN contains 20 artists.

The group exhibition deals humorously with the reconstruction of a German cultural landscape. What defines a supposed German culture and by whom is it defined? Starting from the anthology *African Artists*¹ and its specific stereotypical design, we can ask ourselves at *Bierhagel* und *Brezengewitter* what the volume of *German Artists* might look like.

1 Kasten – 1 Volume

Blurb:

*A groundbreaking A-Z appraisal of the work of nearly 20 contemporary artists born or based in Germany. Germany's booming art scene has gained since ever substantial global attention, with a growing number of international exhibitions and a stronger-than-ever presence on the art market worldwide. Here, for the first time, is the most substantial survey to date of contemporary German-born or German-based artists. Working with a panel of experts, this volume builds on the success of Phaidon's bestselling *Great Women Artists* in re-writing a more inclusive and diverse version of art history. — Prophet*
